Scientific Syllabus

The scientific syllabus includes Magisterial Lectures, Full Sessions, Workshops, and the development of free oral topics, posters and videos. Some visits to different institutions that belong to the Scientific-Educational Complex will be made and some exhibitions related to the topics of the conference will be performed.

Rules for Summary Presentations

Digital summaries should be written with Arial 12 letter, single-spaced typing, 2.5 cm of margin from each side of the paper, Microsoft Word 6.0 version, and with an extension up to 250 words. Each summary must have a title, authors and coauthors' full names and emails, and the institution's full name, address, telephone and country. Information about the introduction, objectives, methods, results and conclusions must be included.

Deadline for delivery: July 30, 2011

Summary acceptance date: until August 15, 2011

Works delivery date: August 30, 2011

Work Rules

Works must be sent to the Scientific Committee, through the conference's email: agrociencias2011@isch.edu.cu

Works will be published in the Conference's CD-ROM, if they fulfill the requirements.
